

Southern African Catholic Bishops' Conference

HIV/TB Project Manager

Qualifications & Experience Required:

- Bachelor's Degree and/or post-matric qualification
- Knowledge of HIV, AIDS, TB
- Knowledge of the SANAC strategic plan and the targets of the Department of Health for South Africa, and UNAIDS strategies to address HIV and TB
- Experience with donor-funded projects
- Proficiency in English and Zulu/Sotho
- Post matric qualification in computer literacy
- At least two years' work experience
- Experience in training/mentoring of community workers in grassroots/diocesan organisations (community based organisations)
- Knowledge of the teachings of the Catholic Church

Skills and Competencies:

- Aptitude for working with grassroots/diocesan organisations (community based organisations)
- Ability to assist community based organisations and communities in informal settlements to reach the goals of the programme
- Ability to work closely with Department of Health Structures and Clinics
- Good interpersonal and time management skills
- Able to work independently and under supervision, and in a team
- A valid driver's licence
- Willing and able to travel extensively
- Flexibility in terms of working hours, including after-business hours if required, especially during site visits and during deadline periods.

This is a two year contract position and is available from 1st April 2017 or earlier when possible. It is based in Pretoria.

Please send your CV to Sr Alison Munro, including the names and contact details of three traceable referees, to amunro@sacbc.org.za or fax to 086 729 6500 by 22 February 2017
